Of Colors, Song And Michigan

Michigan's athletic traditions date back more than a century ago. Students, as early as 1861, referred to themselves as Wolverines, and, of course, Michigan is known as the Wolverine state. The graduating class of 1867 selected Maize and Blue as the school colors. Michigan's famed fight song, "The Victors", was written in 1898 by Louis Elbel to commemorate a last-second, 12-11 victory over Chicago that produced the Wolverines' first Western Conference football championship. In 1903 a five-gallon jug used for drinking water was left in Minnesota and six years later the Gophers and Wolverines played a football game that became known as the battle for the "Little Brown Jug." When Coach Fritz Crisler arrived at Michigan in 1938 he wanted to "dress up the plain, black football helmet" used at that time. The result was the distinctive winged-helmet still used by today's Wolverines.

Future Schedules

Michigan football schedule during the next four seasons continues to offer an intersectional flavor in addition to traditional Big Ten Conference games.

The Wolverines meet national power Notre Dame on a home-and-home basis, while Kansas (1979), California (1979-80), South Carolina (1980), Navy (1981) and UCLA (1982) are other non-conference opponents. Schedules through 1982:

1978 Outlook

Position Sketch

Michigan's football strength for 1978 is offered primarily by an experienced and talented offensive backfield, while the main problem area is the perimeter defense where five regulars were lost through graduation. Overall, Michigan's 1977 defense was fourth in the nation against the score (10.1 points per game) and tenth nationally in rushing defense (117 yards per game). Both outside linebackers and three members of the defensive secondary from that unit are gone. The interior defensive line and inside linebacking spots remain solid.

The offensive line lost two All-Americans (guard Mark Donahue and center Walt Downing) and tackle Mike Kenn, a first-round draft selection. There are, however, experienced players available, though tackle Bill Dufek and center Steve Nauta are coming back after missing the entire 1977 season with injuries.

A position sketch of the 1978 Wolverines:

OFFENSIVE BACKS

Rick Leach, holder of most passing and total offense records at 'M', is a four-year starter at quarterback. Harlan Huckleby, hampered by injuries last year, has averaged 5.44 yards per carry in his career, third best in Michigan's history. Russell Davis, voted 'M's' MVP last year, gained 1092 yards. Ralph Clayton averaged 19.9 yards on 24 pass receptions as a wingback. WB Alan Mitchell, FB Lawrence Reid, TB Stanley Edwards give backfield excellent depth.

OFFENSIVE LINE

Tackle Jon Giesler started several games, guard Greg Bartnick returns for a fifth year, while guards John Powers and John Arbeznik have experience. Return of Bill Dufek and Steve Nauta of prime importance. Depth is questionable and avoidance of injuries essential.

RECEIVERS

Tight end is the most solid position on the team with Gene Johnson, Mark Schmerge and Doug Marsh. Wide receiver Rodney Feaster lettered as a freshman and another first-year player could help here. Wingback spot (Clayton and Mitchell) is a plus.

DEFENSIVE LINE

Dale Keitz started at tackle and may play both middle guard and tackle. Curtis Greer again will handle other tackle spot, while Chris Godfrey also has a chance to start at tackle. Four sophomores, including middle guard Mike Trgovac, are among interior line candidates.

LINEBACKERS

Michigan's end positions on five-man line are outside linebackers. These spots are open with Bob Hollway, Mark DeSantis, Tom Seabron likely replacements for All-American John Anderson and Dom Tedesco. Inside linebacking positions are strong with junior All-American candidate Ron Simpkins, Jerry Meter, Mel Owens.

SECONDARY

Mike Jolly is the only returning starter, but several fine athletes available, including Michael Harden at free safety. Bo says secondary coach Jack Harbaugh has "the most difficult coaching job on the staff this season."

KEY NEWCOMERS

Mike Trgovac - Lettered as frosh, strong, determined middle guard. Won top freshman award.

Alan Mitchell - Soph wingback who could play offense or defense. All-around athlete with promising career ahead.

B.J. Dickey - Leach's backup as frosh, ran 76 yards on one play. Expected to improve.

Stuart Harris - Played as a freshman, will back up Gene Bell at strong safety. Can play corner in secondary.

Marion Body - Midterm high school graduate participated in spring drills. Former quarterback, but now a cornerback.

Stanley Edwards - Started Rose Bowl game. Rushed for 226 yards as a freshman. Fine, all-around back.

Bo's Comments on Key Wolverines for 1978

RICK LEACH, QB — *"He should have a great senior year because in each of his previous three season he's gotten better and better. He just may be the best football player in the country."*

RUSSELL DAVIS, FB — *"Russell hasn't missed a practice or game in more than a year. He keeps improving as an all-around fullback who runs hard, blocks, catches the ball and can break the long play."*

HARLAN HUCKLEBY, TB — *"He had an impressive spring practice and is completely recovered from injuries that hindered his performance last year. Great speed and a threat to go all the way at any time."*

RALPH CLAYTON, WB — *"He continues to improve. Has all the qualities required for greatness — size, speed, hands. We will expect him to do more offensively this year than last year."*

BILL DUFEK, OT — *"Bill had a disappointing spring because of shoulder problems. The only thing he needs to return to his old form is a weight training program to regain his former strength."*

GENE JOHNSON, TE — *"He had an outstanding spring practice. Missed the last two games of last year, including the Rose Bowl, but he's recovered now and we all believe he's ready to have a great senior year."*

RON SIMPKINS, ILB — *"Ron also had a fine spring practice. He should have another good season because of his speed, mobility and tackling ability. He'll be a leader in our defense."*

CURTIS GREER, DT — *"He comes off a good season in 1977 and a consistent, solid showing during the spring. He's capable of making the big play against any team."*

MIKE JOLLY, DHB — *"Another player who turned in a good spring performance. He has outstanding range and the ability to find the football. Mike is our only returning regular in the secondary."*

Meet Bo Schembechler

"Better luck with injuries this year and adjusting to our losses on defense will be key factors in determining whether we can win the Big Ten Championship."

Bo Begins 10th Season at 'M'

Glenn E. 'Bo' Schembechler came to The University of Michigan in 1969 and in nine seasons produced one of the finest coaching records in college football history.

The Wolverines under Schembechler have won seven Big Ten championships and played in four Rose Bowl games and one Orange Bowl game. Their regular season record is 86-8-3, during that period.

Michigan is the only college football team to be rated in the Top Ten nationally for the last nine consecutive years in the final AP and UPI wire service polls. Those nine teams have produced 19 All-American players, including linebacker John Anderson, center Walt Downing and offensive guard Mark Donahue from the 1977 Big Ten championship team.

Schembechler (pronounced SHEM-beck-lur) is just the 13th coach in the history of Michigan football. He came from the Miami University of Ohio where his teams posted a 40-17-3 record, including two Mid-American Conference championships, in six seasons.

He took over the head coaching position at Michigan in December of 1968 after Bump Elliott, who had guided the Wolverines to an 8-2 record, resigned to become Michigan's associate athletic director.

Schembechler's teams have changed as his personnel has changed. His first team started slowly, then won its final five games, including a memorable upset of Ohio State when the Buckeyes were rated No. 1 in the nation. That team featured the passing of Don Moorhead and the receiving of Jim Mandich.

In the following years Schembechler built teams that featured great defenses and powerful running attacks. With the arrival of quarterback Dennis Franklin in 1972, Schembechler began exploiting the merits of an option attack. Now, with Rick Leach at quarterback, the Wolverines still use the option, but also lean heavily on the forward pass. Leach is in the process of rewriting all Michigan's passing records.

Defensively, the Wolverines still operate the angle-five and feature quickness rather than size. From 1972 through 1976, Michigan led the nation in scoring defense (7.2 points per game) and rushing defense (113.7 yards per game) and was rated second nationally

in total defense (226.1). Over this same five-year period, the Wolverine offense ranked eighth in scoring (30.2 points), fourth in rushing (310.8) and tenth in total offense (389).

Schembechler has been voted Coach of the Year nationally (1969) as well as in the Mid-American (1965) and Big Ten (1972) conferences. Eight of his assistant coaches have gone on to head coaching positions at major colleges, including Jim Young (Purdue) and Gary Moeller (Illinois) in the Big Ten.

The former Barberton, Ohio, prep football all-stater was an offensive tackle at Miami for three years. He played under George Blackburn and Woody Hayes and also was a fine lefthanded pitcher for Miami.

He graduated in 1951 and received a master's degree in 1952 at Ohio State where he served as a graduate assistant coach. After serving in the U.S. Army, he was a line coach at Presbyterian College in 1954, a line coach at Bowling Green in 1955, then joined Ara Parseghian's staff at Northwestern in 1958. He was appointed head football coach at Miami of Ohio in 1963.

Schembechler confines most of his non-football hours to his family and charity events, including the cancer society and the Mott Children's Hospital in Ann Arbor fund raising projects.

Schembechler annually conducts a coaching clinic for high school coaches that is regarded as one of the most informative such events in the nation. He also attends a series of alumni gatherings during the summer. Schembechler is featured in a weekly television show over the Detroit ABC station (WXYZ) during the football season.

Bo and his wife, Millie, have four children: Chip, Geoff, Matt and Shemy.

The Staff

Assistant Coaches

Jerry Hanlon (HAN-lun)
Offensive Line

Jerry Hanlon coaches Michigan's offensive line. Hanlon, from North Bend, Ohio was an offensive halfback during the 1953-55 seasons at Miami. He played halfback on the Redskin teams that won two Mid-American Conference titles. His college coach was Ara Parseghian.

As a player, Hanlon's college teams achieved a 24-2-1 record, while his teams at Taylor High School were 25-7-1.

Following graduation from Miami, Hanlon returned to Taylor for a year as assistant football coach, then coached at Canton Catholic, Youngstown and Cleveland St. Edwards before joining the staff at the University of Dayton in 1965. The following year he joined Schembechler.

He has been in charge of Michigan's offensive line since 1969. Those lines have keyed an assault on most team rushing records. Six All-American linemen have been developed under Hanlon in seven seasons.

Hanlon is married to the former Anne Hatfield, a native of Norma, Tennessee. The couple has two sons, Scott, 20, and Mickey, 18, and a daughter, Kelly Ann, 10.

JERRY HANLON

"There will be less experience in the offensive line than in previous years and building depth at tackle may be a problem."

Paul Schudel (Shu-DEL)
Offensive Interior Line

Paul Schudel, a former player and graduate assistant at Miami of Ohio under Bo Schembechler, has rejoined his former boss as a member of the Michigan football staff.

Schudel developed two All-American linemen in 1977, center Walt Downing and guard Mark Donahue, who repeated his '76 selection.

Schudel served as offensive line coach at Syracuse during 1974 for former Michigan assistant Frank Maloney. Prior to that, Schudel spent two years as offensive line coach and offensive coordinator at William and Mary, two years as offensive line coach at Colorado State, two years in the same duties at New Hampshire and two years as a graduate assistant at Miami.

Schudel graduated from Swanton (Ohio) High in 1962 after earning 11 letters. He played three years as offensive tackle for Schembechler at Miami and was tri-captain his senior year and earned Academic All-American honors. Schudel graduated in 1966 with a Bachelor of Science Degree with a major in mathematics and received his Master of Education Degree from Miami in 1968.

Schudel is married to the former Mary Burkhart of Perrysburg, Ohio. They have two children, Jennifer, age 8, and Glenn, 6.

PAUL SCHUDEL

"We have made some position shifts in the interior line and we'll need time and patience to develop the type of unit we usually put on the field."

Tirrel Burton
Offensive Ends

Tirrel Burton, has produced several outstanding pass receivers, including Bo Rather, Paul Seal and All-American Jim Smith.

Burton, who joined the Wolverines staff in 1970 as freshman coach and took over the receivers in 1972, enjoyed a long and successful career at Miami of Ohio, both as a player and coach. He even played high school football at Oxford.

Burton was an outstanding halfback at Miami, twice being named All-Mid-American Conference. He averaged 8.8 yards per carry and scored 84 points his senior year, both records. Burton also starred in track, winning his way to the NCAA 220 hurdle finals in 1955. He was elected to Miami's Sports Hall of Fame for both football and track.

Burton graduated from Miami in 1956, played a year of pro ball with the Ottawa Rough Riders, then taught and coached in Cincinnati on the junior and senior high levels for nine years. He was offensive and defensive backfield coach at Central State of Ohio for a year before returning as an assistant coach to Miami of Ohio where he completed his master's degree.

Burton and his wife, Sue, have two children; Ellen, 18, and Mark, 16.

TIRREL BURTON

"We have some talented receivers and they will be expected to complement fully the rest of our offense. This is an area where younger players can contribute right away."

Don Nehlen (KNEE-lin)
Offensive Backs

Don Nehlen, who coached Bowling Green State University football teams to a 53-35-4 record for nine seasons, joined the staff in 1977 as backfield coach. Nehlen replaced Chuck Stobart, who was named head football coach at the University of Toledo.

Nehlen worked closely with quarterback Rick Leach, who nearly doubled his pass completions from his sophomore to junior year and tossed a record 15 TD passes last season.

Nehlen earned a reputation of engineering upsets at Bowling Green. His 1972 team shocked Purdue, 17-14, upended Syracuse, 41-14, the next season, held favored San Diego State to a 21-21 tie in 1974 and defeated Brigham Young, 23-21, in 1975. Nehlen quarterbacked Bowling Green to a three-year 21-2-4 record, including the 1956 Mid-American Conference title. He coached at Canton South High and Canton McKinley in Ohio and was an assistant at the University of Cincinnati before joining the Bowling Green staff as defensive coordinator in 1965.

Nehlen was appointed head coach at BG in 1968. He resigned in 1976 following a 6-5 record.

Nehlen is married to the former Merry Ann Chopson of Akron. They have a son, Danny, 18, and a daughter, Vicky, 16.

DON NEHLEN

"With veterans returning at all positions in the backfield, we're expecting an exciting season from them."

Bill McCartney

Defensive Coordinator

Bill McCartney, who coached Dearborn Divine Child to state championships in football and basketball, joined the Michigan staff as defensive end coach in 1974.

McCartney, 37, served as defensive end coach for three years and became defensive coordinator in 1977 replacing Gary Moeller. He also coaches inside linebackers.

McCartney earned 11 letters at Riverview High School where he captained the football and basketball squads and played baseball. He attended the University of Missouri on a football scholarship and lettered three seasons as a linebacker. He played in two Orange Bowl games and was named second team All-Big Eight.

At Divine Child, McCartney compiled a 30-5 won-loss record in four years as head football coach. His teams won three Detroit Catholic League Championships and two state titles (1971, 1973). His basketball teams at Holy Redeemer and Divine Child were 157-49, winning the Detroit Catholic title in 1969 and the state Class B title in 1973.

McCartney and his wife, Lynne, have three boys, Michael 14, Thomas 12, Mark 6, and a girl, Kristyn, 9.

BILL McCARTNEY

"Our top three inside linebackers (Simpkins, Meter, Owens) return and we expect outstanding seasons from them."

Dennis Brown

Outside Linebackers

Dennis Brown, in his sixth season as a Wolverine coach, has had a long association with Michigan. He was the Wolverines' starting quarterback in 1967 and 1968. In 1968 he led the Big Ten in total offense and was named All-Big Ten, leading 'M' to an 8-2 record and second place in the conference.

A graduate of Lincoln Park High, Brown came to Michigan and stepped into the starting quarterback role midway through his junior year. In his first game, he established the Big Ten total offense mark.

Brown spent one season as a graduate assistant to Bo Schembechler, in 1970 before going to Dartmouth as the freshman coach for a year. He returned to Michigan to work with the backfield and to serve as varsity-reserve coach. Brown became defensive end coach last spring when Bill McCartney became defensive coordinator.

Brown married the former Carla Shinn of Lincoln Park. They have a son, Aaron, 4, and a daughter, Lauri, 2.

DENNIS BROWN

"There is not a great deal of playing experience returning among the outside linebackers, but we do have some good potential there."

Jack Harbaugh (HAR-baw)

Defensive Backs

Jack Harbaugh came to Michigan from Iowa in 1973 as coach of the defensive backs.

Harbaugh is a native of Crestline, O., where he was an All-State football and baseball player. He went on to Bowling Green where he once again played football and baseball, and was drafted by the Buffalo Bills football team.

He received both his bachelor's and master's degrees from Bowling Green and coached at Canton, Perrysburg and Eaton high schools. He went to Xenia High in 1966, where he was conference coach of the year.

In 1967 Harbaugh took an assistant's job at Morehead State and stayed there a year before returning to Bowling Green where he coached three seasons before going to Iowa to take over the defensive backs.

Harbaugh has developed a steady line of outstanding defensive backs, including two-time All-American Dave Brown and All-American Don Dufek. He also has been able to successfully switch players to new positions as he did with safety Dwight Hicks, who became a consensus All-Big selection in 1977 as a rover back (wolf).

Harbaugh and his wife, Jackie, have three children; John, 16, Jim, 14, and Joan 10.

JACK HARBAUGH

"This will be a rebuilding year in the defensive secondary. The fact we have only one returning starter causes us some concern."

Milan Vooletich (VULE-la-tich)

Defensive Line

Milan Vooletich, starting his first season at Michigan, coaches the defensive tackles and middle guards. He coached the defensive backs at the University of Colorado, last season. He replaced Tom Reed, who accepted the head coaching position at Miami of Ohio.

Vooletich had coached at Colorado since 1974 as the Buffalos compiled a 29-14-1 record. In addition to his four years there with Bill Mallory, Vooletich coached the linebackers at Miami of Ohio from 1969-73, also under Mallory. Vooletich joined the college ranks after coaching football and track at Sandusky (Ohio) High School from 1964-69. Among his players were Wolverine graduates Tom Darden, Bo Rather, Brian Healy and Werner Hall.

A native of Pittsburgh, Pa., where he attended Carrick High School, Vooletich played offensive and defensive back at Geneva College in addition to being captain of the track team. Vooletich graduated in 1964 and was President of the Varsity Club. Vooletich and his wife, Rosemary, have two sons, Daniel, 11, and Brian, 8.

MILAN VOOLETICH

"We have solid, experienced players returning to the interior defensive line and hopefully much of our leadership will come from them along with our inside linebackers."

Huckleby Sparkles

Michigan's defensive coordinator in the 1977 Rose Bowl, Gary Moeller, was on the other sideline, hoping his Illini defense could stop the Wolverine attack. But Bo Schembechler had all his offensive weapons ready, including quarterback Rick Leach, who fired two touchdown passes and ran for 78 yards. His first TD pass was a 30-yarder to sophomore Ralph Clayton. Then Harlan Huckleby, who gained 128 yards and scored twice, broke loose on a 15-yard scoring run and the Wolverines were never threatened. Michigan's defense checked the Illini with 107 total yards as sophomore Ron Simpkins had 11 tackles, two for losses, and recovered a fumble. Mike Jolly with an interception and fumble recovery was the Defensive Champion and fullback Russell Davis the Offensive Champion. Huckleby was AP's Big Ten Player of the Week.

'M' Defense Impressive

Michigan looked anything but the No. 1 ranked team in the nation against Duke. An intercepted pass and a fumble recovery led to two Michigan touchdowns in the first half as Rick Leach scored from seven yards out and Russell Davis from four. The Blue Devils held the Wolverines scoreless in the third period when Mike Dunn, passing effectively, led a 77-yard march, and scored the TD himself from the three. After Duke narrowed it to 14-9 on a field goal early in fourth period, Michigan immediately responded with an 80-yard drive as Leach scored from the one. The Wolverine defense then intercepted a pass and recovered a fumble to stop Duke twice and preserve the win. John Anderson was Defensive Champion, but the staff decided not to name an Offensive Champion. Leach, however, was UPI Big Ten player of the Week, running for 98 yards and passing for 76.

'Huck' Scores Two

Michigan again struggled through a scoreless first period, then Harlan Huckleby scored twice to give the Wolverines a halftime lead of narrow proportions. Navy, as is its custom, battled all the way, scoring a touchdown in the third period, while Michigan's offense struggled without a first down during the entire 15 minutes of action. The fourth quarter was scoreless. Navy actually had more first down (17-16) and gained 194 yards on the passing of Bob Leszczynski. Ron Simpkins had 19 tackles for the Wolverines, while Curtis Greer, voted Defensive Champion, had 10 with two sacks. Tackle Mike Kenn was the Offensive Champion. Michigan slipped from No. 1 to third in the polls as a result of this game.

Simpkins Stars

Third-ranked Michigan and fifth-ranked Texas A&M, both undefeated, met on regional television that carried this intersectional game to 70 per cent of the nation and the Wolverines responded with their most impressive show of the season. Rick Leach passed for 106 yards, including a 35-yard TD pass to Curt Stephenson, and Russell Davis rushed for 110 yards and scored two touchdowns. It was Michigan's defense, however, that rose to the occasion, limiting the powerful Aggies to just 211 yards in total offense. Ron Simpkins, voted Defensive Champion, had 14 tackles and blocked a punt that resulted in a TD. Mike Jolly returned an intercepted pass 50 yards for another TD. All-American guard Mark Donahue was voted Offensive Champion of the Game. Davis and Simpkins were ABC-TV's Players of the Game and Simpkins was AP's Big Ten Player of the Week.

Leach, 'Huck' Star

Michigan defeated Michigan State for the eighth straight season with an attack that showed a three-to-one ratio in running-passing and another exceptional defensive performance. Rick Leach threw for 111 yards and a touchdown, while Harlan Huckleby gained 146 yards rushing to lead a ground game that netted 302 yards. MSU took a 7-0 lead in the second period, but Leach hit Rick White on a 12-yard touchdown pass and Gregg Willner, using a stiff wind, booted a 50-yard field goal as the Wolverines led at halftime 10-7. Dominic Tedesco's fumble recovery early in the third period triggered a 74-yard drive with Davis scoring from the three. Dwight Hicks then intercepted an Ed Smith pass and Michigan scored in two plays for a 24-7 lead. MSU scored in the fourth period, but two fumble recoveries by an alert 'M' defense checked the Spartans the rest of the way. Huckleby and Hicks were Michigan's Champions of the Game.

'M' Voted No. 1

Michigan met an undefeated team for the second straight week with Wisconsin posing a definite threat for the Big Ten title. 'M' took charge immediately, scoring with the opening kickoff as Rick Leach capped an 81-yard drive by passing 10 yards to Doug Marsh. Leach and Roosevelt Smith had short TD runs in the second period and two more scores put it out of reach in the third period. Smith, subbing for the injured Harlan Huckleby, gained 157 yards and scored twice. Leach with 127 yards passing and 2 TD strikes, was Michigan's Offensive Champion, while Derek Howard was the Defensive Champion. The victory moved Michigan into No. 1 position in both wire polls.

Point String Ends

Michigan experienced its first shutout defeat since 1967 and the first ever under Bo Schembechler in his nine years with the Wolverines. 'M' took the kickoff, gained six yards and punted. The next time 'M' fumbled, then a third-and-one situation resulted in no gain. Then, another 'M' fumble. In the second period, Michigan's defense forced a punt, but fumbled the kick back to the Gophers. Minnesota, scored early in the first period on Paul Rogind's 41-yard field goal, converted a fumble into a touchdown and later Rogind booted a 37-yard FG for a 13-0 halftime lead. He added a fourth-period field goal to close the scoring as the Gophers rushed for 190 yards, passed for 60 and held 'M' ot its lowest rushing total of the year, 80 yards. Tackle Mike Kenn was Offensive Champion for the second time, and Dom Tedesco Defensive Champion.

Leach Takes Charge

Michigan faced a must-win situation for three straight weeks, starting with Iowa, and quarterback Rick Leach took charge of the first challenge. The junior southpaw fired three touchdown passes, passed for a season high 202 yards, and rushed for 59 yards to spark the victory. His first TD toss came on a broken play and went 63 yards to Russell Davis. Iowa scored early in the fourth period, but the 'M' defense, led by Dom Tedesco's sack of quarterback Tom McLaughlin in the end zone for a safety, was overpowering. Center Walt Dowing, on his way to All-American honors, and tackle Dale Keitz were named the week's champions.

Leach AP Pick

Winless Northwestern visited Michigan Stadium and the Wildcats shocked Michigan with a first-period touchdown, but after that it was the Wolverines' day. Eight runners rushed for 323 yards, Rick Leach passed for 155 yards and two touchdowns and some 80 players saw action. Several of the injured Wolverines were returning to action, including fullback Lawrence Reid, who gained 40 yards, while Mike Smith scored the first TD in his Michigan career. Coaching rivals in this game were Bo Schembechler and John Pont, former roommates at Miami of Ohio. Rick Leach was named AP's Big Ten Player of the Week.

Davis Gains 167

Michigan avenged a 1976 loss to Purdue, settled any question about winning on grass and set up another title showdown with Ohio State. Again, however, 'M' found itself behind as Purdue scored on a Mark Herrmann pass in the first period. Gregg Willner's field goal made it 7-3. Playing on prescription grass, Michigan began to move, rolling up 317 yards rushing. Rick Leach tossed two more touchdown passes, giving him 29 in 34 games. Russell Davis, voted Offensive Champion of the Game, gained 167 yards, while tailbacks Stanley Edwards had 66 and Roosevelt Smith 53 as Harlan Huckleby again was idled by injury. Gene Johnson also missed the game, but the tight end position appeared solid as Mark Schmerge caught two TD passes. Michigan's defense intercepted three passes off frosh sensation Herrmann, including a 30-yard TD steal by linebacker Dom Tedesco. Ron Simpkins had 10 tackles and deflected two passes to earn Champion of the Game.

'M' Wins Title

For the ninth time in 10 years Michigan and Ohio State met to decide the Big Ten title and a trip to the Rose Bowl, again before an all-time NCAA record regular season crowd. The Wolverines held OSU without a touchdown for the second year in a row to win before a national television audience. Vlade Janakievski booted a 29-yard FG to cap OSU's first drive, while a second march faltered at the 'M' 25 and he missed that FG try as the Bucks dominated the first period. Michigan drove to the OSU 30 in the second period, missed a FG, then came back to march 46 yards for a TD. Rick Leach's third-down-and-eleven pass to Ralph Clayton for 22 yards was the key play. Roosevelt Smith scored from the one. Ron Simpkins recovered a fumble in midair on the OSU 20 early in the third period to set up the second 'M' touchdown, a two-yard dive by Leach. OSU came right back and had a first down on the 'M' 11, but Mike Jolly hit Jeff Logan for a yard loss, Simpkins sacked Rod Gerald for 13, and Janakievski had to settle for a 44-yard field goal. In the fourth period OSU had a fourth and one at the 'M' 10, but was stopped. Later the Bucks had a first down on the 'M' eight, but John Anderson hit Gerald, he fumbled and Derek Howard recovered. Simpkins, who had 20 tackles (15 solos including two for losses) and recovered a fumble, was picked Big Ten Defensive Player of the Week by AP and UPI. 'M' and OSU shared the title with 7-1 records with the Bucks going to the Sugar Bowl, while the Wolverines accepted their eighth invitation to the Rose Bowl.

Leach's Heriocs Fall Short

Michigan failed to get out of the gate quick enough and even a 20-point second half could not rescue the Wolverines. A low center snap resulted in minus 13 yards on a fourth down punt and gave Washington field position early in the first period and 10 plays later quarterback Warren Moon scored from the two. A field goal and Moon's second TD put the Huskies up 17-0 at halftime. Moon's 28-yard scoring pass to Spider Gaines (after Washington had stopped Michigan on the three) appeared to put the game away in the third period, but Rick Leach launched one of the finest aerial assaults in the history of this classic. First, he fired a Rose Bowl record TD pass of 76 yards to Curt Stephenson. Washington countered with a field goal, but Leach completed four straight passes and Russell Davis finally scored from the two. Later in the fourth period Leach fired first down passes of 11 and 12 yards to Ralph Clayton, then connected with Stanley Edwards (filling in for the injured Harlan Huckleby) for 32 yards and a TD. Leach led another dramatic drive to the Washington 8, but a diving interception by Michael Jackson stopped Michigan and preserved the 27-20 Washington win. Leach completed 14 of 27 passes for 239 yards and 2 TDs. Davis gained 79 yards to finish the season with 1092. Huckleby, tight end Gene Johnson and defensive back Bob Patek missed the Rose Bowl because of injuries.

The University

Academically, Michigan ranks among the foremost universities in America. A survey of professional school deans not long ago rated U-M in the top 10 in 13 of the 18 professional areas surveyed, "the best overall record" in the words of The Los Angeles Times. The survey found "Five universities with outstanding reputations — Berkeley, Chicago, Columbia, Harvard and Michigan — have the greatest numbers of top-ranking professional schools."

Other recent surveys have found the following: more Ph.D. degrees (2,894) were awarded by U-M from 1973 through 1976 than from any other U.S. college or university; the College of Engineering was first for graduate level academics in three of seven fields surveyed; deans of business administration schools placed the employment value of a U-M M.B.A. degree among the top five and rated Michigan's executive programs among the top four; more top business executives earned degrees from U-M than from any other public college or university; and medical school faculty members ranked U-M among the top eight such schools.

U-M students appreciate this, evidently. The majority of students in 554 classes last year rated 90 per cent of their courses as "excellent". Ninety per cent of the classes rated the instructor as an excellent teacher. The U-M faculty survey noted the results are quite different from the sterotype of the large, "mass education" university one hears about.

Michigan's 19 schools and colleges cover the spectrum of human knowledge. To them for an education have come more than 240,000 degree holders, including the three-man crew of Apollo 15. Every year about 18 per cent of the student body comes from all the other states in the nation, while another 3.7 per cent are from some 100 other countries.

During 1976-77 research volume at Michigan totaled $76,054,224. Projects ranged from abstract theoretical studies of the atom to methods of reducing the number and severity of highway accidents. The monthly survey of consumer sentiment is a nationally respected barometer of the nation's economic health. Practical holography, or three-dimensional photography, was invented at Michigan, while the scholarly renowned Middle English Dictionary is being compiled on the campus.

On the North Campus, the Phoenix Project has for three decades sought peaceful uses of atomic energy. A few hundred feet away, the Gerald R. Ford Presidential Library will soon be constructed to house the papers of one of Michigan's most famous alumni.

The Medical Center's 25 buildings comprise one of the largest concentrations of health care facilities in the world. The area includes one of the nation's major medical schools, the largest baccalaureate school of nursing, and the nation's first University Hospital.

Michigan's faculty includes 11 members of the National Academy of Sciences and many presidents of national scholarly organizations. The U-M library system is the fourth largest university system in the country, with more than five million volumes.

The University is truly a state resource and a national asset.

Meet Don Canham

Don Canham was appointed athletic director at Michigan in 1968, just the fifth in the school's history, and in 10 years has supervised an across-the-board success seldom achieved in intercollegiate athletics.

During the 1976-77 season, for example, Michigan's football team won the Big Ten title and participated in the Rose Bowl, the basketball team also won the Big Ten championship and played in the NCAA tournament, the Wolverine hockey team battled to the finals of the NCAA tournament, the baseball team participated in the NCAA playoffs, while the cross-country and tennis teams won conference championships and went on to the NCAAs.

Last year Bo Schembechler's Wolverines again won the football title to earn their fourth Rose Bowl invitation in the last nine years. It also was the 200th Big Ten championship for Michigan and the 32nd since Canham left his track coaching job to become the athletic director. Indoor and outdoor track titles and championships in tennis and baseball last spring further embellished Michigan's athletic credentials during the past decade.

During that period Canham has earmarked more than $4 million for expansion and improvement of athletic facilities, all financed by athletic department revenues. Additionally, he spearheaded the $7.2 million construction of two recreational sports buildings (financed by the University), transferred the Intramural Building (built by the athletic department) to the University's Recreational Sports Department, and then provided $140,000 to renovate the old ice arena before giving that building to the University.

These projects increased Michigan's recreational sports space to 333,000 square feet, one of the largest indoor complexes offered by any university.

Other projects completed in the last decade include: construction of a sports service building which houses the football team and includes a large weight training room; construction of the indoor Track/Tennis building which is used for varsity and university recreational purposes; remodeling of Yost Fieldhouse into an 8,100-seat ice arena; construction of an all-weather outdoor track; construction of an artificial surface practice field with lights; improvements on the baseball stadium; and a continuing renovation program for Michigan Stadium.

These projects, coupled with the building wisdom of Fielding H. Yost and

Fritz Crisler, afford Michigan one of the finest athletic complexes in the nation.

Building administrative and coaching staffs has been his priority. Two of Canham's former assistants, Dave Strack and Bump Elliott, now supervise successful athletic departments at Arizona and Iowa, respectively. Promotions and retirements have forced complete turnovers in all but three sports, but the tradition of winning remains.

Michigan's intercollegiate program includes 22 varsity sports for men and women with an annual budget in excess of $6 million. The department is self-sufficient.

Last year Michigan's football attendance established an all-time NCAA record of 104,203, the basketball games for 1977-78 in Crisler Arena were sold out. Canham also established a Scholarship Fund through the Victors and Maize and Blue Clubs.

Nationally, Canham serves on various Big Ten and NCAA committees. He is invited by other universities and business groups to speak on promotion and administration. He has been elected to the Michigan Sports Hall of Fame and the U.S. Track and Field Federation Hall of Fame.

Canham was Michigan's track captain and NCAA high jump champion during his undergraduate years. He served in the Army Air Force, coached and taught at Kankakee, Ill., High School, was an assistant track coach at Michigan for two years before being named head coach in 1948. His Wolverine teams won 12 Big Ten titles in 19 years. During this time he built a highly successful sports equipment business that was placed in trust upon his appointment as athletic director.

Canham and his wife, Marilyn, have a son, Don Jr., and a daughter, Clare, both University of Michigan graduates.

'M' Band

Shows of '78

Professor George Cavender begins his 26th year with the "Marching Wolverines" in 1978. As conductor he has led the Michigan Band to new heights on the gridiron, in the concert halls, in many major bowls, and now on recordings.

As always, the football game shows will be new, exciting, interesting and different.

The Illinois game on Sept. 16 will feature a new pre-game flag raising-routine and the halftime show will be "Ann Arbor Academy Awards."

Other shows will be: "Saturday Afternoon Fever", featuring the disco beat with tunes like "Open Sesame," "How Deep Is Your Love," and melodies from "Grease" and "American Hot Was." Another show will be called "A Low Blow" and will feature musical numbers made famous by the greatest trumpet players of all time: Chuck Mangione, Dizzy Gillespie, Al Hirt, Louis Armstrong, Harry James, Bill Chase, Maynard Ferguson and others. "SPACE" will present the music of "Star Wars," "Close Encounters," "Star Trek," "2001" and others.

And so it goes, week after week, "Another Opening, Another Show" with more great entertainment for Michigan gridiron fans.

Oct. 21st could be the beginning of another new tradition at Michigan, with the presentation of the first "Marching BANDAYRAMA." Band Day had to be discontinued because of the unprecedented demand for season tickets and so the Athletic Department and the School of Music are sponsoring a gigantic marching band festival in the Michigan Stadium on Oct. 21 (Saturday road game at Wisconsin). Bands from all over Michigan will compete from 8 a.m. to 6 p.m. and admission will be $1. Grand prize will be an appearance at the Purdue game on Nov. 18.

The Minnesota game on Oct. 28 will be Homecoming and former Michigan Bandsmen will be featured in halftime activities called their "Blast from the Past."

The Marching Band will accompany the Wolverines to South Bend for the Notre Dame game and to Columbus for the battle with Ohio Sate.

More good news for Marching Band fans is the release of a new album called "Halftime Classics," featuring the 250-member Marching Band under the direction of Prof. Cavender.

Michigan Football Awards

Each year, three special awards are given to players on the Michigan football team. The awards are the John F. Maulbetsch Award, the Meyer Morton Award, and the Frederick C. Matthaei Scholarship Award.

Maulbetsch Award

The John F. Maulbetsch Award is given to the freshman football candidate after spring practice on the basis of desire, character, capacity for leadership and future success both on and off the gridiron. It was established by Frederick C. Matthaei in 1954 in honor of the late John F. Maulbetsch, All-American halfback on the 1914 team.

Meyer Morton Award

The Meyer Morton Award is given to the football player who shows greatest development and most promise as a result of the annual spring practice. The award is given in honor of the late Meyer Morton, noted Big Ten official.

Matthaei Award

The Frederick C. Matthaei Award is given to the junior-to-be gridder who has displayed leadership, drive, and achievement on the athletic field and in the classroom. The award was established by Frederick C. Matthaei in 1968.
